

CORRECTION

AMENDMENT NO. 2

TO

LAKETOWN TOWN ROAD MAP

I, Edward J. Otto, a Licensed Land Surveyor in and for the State of Minnesota, declare as follows:

1. That I prepared the Laketown Town Road Map filed on January 9th, 1986 in the office of the County Recorder, Carver County, Minnesota, as Document No. 75577.
2. That said map contains a reference to Exhibit A which contains an error in the following, to wit:
 - a) On said Town Road Map, Town Road No. T-121 (Scandia Road) is shown as being a 66.00 foot right-of-way going across Sections 17, 18 and 20 of Laketown Township. That said road was surveyed and described in 1985 along with all the other roads in said Laketown Township. That said legal description of T-121 (Scandia Road) was inadvertently omitted from Exhibit A.
3. That said Exhibit A is hereby amended by inserting the written legal description for said T-121 (Scandia Road) as follows:
 - a. The following Township Road shall be deemed 66.00 feet in width pursuant to and in accordance with M.S. 160.04, 33.00 feet on each side of the following described centerline:

T-121 (Scandia Road)

That part of Sections 17, 18 and 20, Township 116, Range 24, Carver County, Minnesota, described as follows:

Commencing at the northeast corner of said Section 18; thence South 25 degrees 48 minutes 14 seconds West, assuming the east line of the Northeast Quarter of said Section 18 bears South 09 degrees 05 minutes 16 seconds West, a distance of 1488.81 feet to the point of beginning, said point being on the centerline of Minnesota State Highway Number 5; thence South 49 degrees 13 minutes 26 seconds East, a distance of 285.81 feet; thence 197.40 feet southeasterly on a tangential curve, concave southwesterly, having a radius of 500.83 feet and a central angle of 22 degrees 35 minutes 00 seconds; thence South 26 degrees 38 minutes 26 seconds East, tangent to said curve, a distance of 39.18 feet; thence 199.71 feet southeasterly on a tangential curve, concave westerly, having a radius of 1510.56 feet and a central angle of 07 degrees 34 minutes 30 seconds; thence South 19 degrees 03 minutes 56 seconds East, tangent to said curve, a distance of 243.04 feet; thence 369.70 feet southeasterly on a tangential curve, concave northeasterly, having a radius of 1716.80 feet and a central angle of 12 degrees 20 minutes 18 seconds; thence 237.48 feet southeasterly on a compound curve, concave northeasterly, having a radius of 1527.17 feet, and a central angle of 08 degrees 54 minutes 35 seconds; thence South 40 degrees 18 minutes 49 seconds East, tangent to said curve, a
