# What Else Should You Know?

Your local units of government have proposed the amounts they will need to levy in 2025.

The following circumstances could change these amounts:

- Upcoming referenda
- Legal judgments
- Natural disasters
- Voter-approved levy limit increases, or
- Special assessments

Your county commissioners, school board, city council (if your property is located in a city with a population over 500), and metropolitan special taxing district will soon be holding meetings to discuss the 2025 budgets and proposed 2025 property taxes. (The school board will discuss the 2024 budget.) You are invited to attend these meetings to express your opinion.

## Supplemental Budget Information - Proposed 2025 Taxes

### How Can You Learn More?

The time to provide feedback on proposed levies is now.

You are invited to attend budget meetings to express your opinion.

Levy information is provided by the county, city, and school district. It compares two years for those jurisdictions. For more information, contact the county, city, or school district directly or visit their websites.

Levy amounts impact the taxes owed for your property. Additional factors that may impact your property tax amount include changes to taxable market value, improvements made to the property, and changes in special programs, such as the homestead market value exclusion.
