## Penalty for Late Payment of Property Tax

If you pay your first half or second half property tax after the due dates, a penalty will be added to your tax. The later you pay, the greater the penalty you will pay. The table below shows the penalty amounts added to your tax if your property taxes are not paid before the date shown. To avoid a penalty, envelopes must be postmarked by the due date to be considered paid on time. First half tax payments must be paid in full with penalty (if applicable) prior to applying money toward second half payment. If you are unsure of how penalty is calculated, the amount due, or want to discuss delinquent tax, please contact us at (952) 361-1910.
